BELLEHELEN IS COMING TO FRONT

MUCH WORK GOING ON IN THE DISTRICT WITH GOOD RESULTS.

A. E. Yocum came in from Belle Helen to participate in the big celebration today. He reports a very encouraging outlook in the district. On the Lawrence property they are down 90 feet and have encountered a vein five feet wide that averages \$54 in gold, picked samples going as high as \$1,000. The Cornforths are installing their compressor and are driving a tunnel to cross cut the vein at a depth of 200 feet. Ore in the bottom of a 150-foot shaft on the property goes \$60 to the ton. The Nevadawest, which is down 143 feet, is in good ore. They are putting a vast amount of it on the dump.

SILVER BOWITES COME TO TOWN

Quite a large contingent of residents of Silver Bow arrived last night on the Overland Limited from the mining camp. They are here with bells and will keep them ringing while in this city. Incidentally, if you happen to meet one of them they will immediately proceed to tell you all about their great camp, which they claim is amongst the best in Southern Nevada. Those who compose the party are Mrs. Jack Bell, Mrs. W. R. Marshall, Mr. and Mrs. F. C. Gleason, Charles Glenn, William Pierce, W. G. Cook, John Fothergill, Nick Veleo, William Beatty, George Robinson, John McDonald and Frank Johnson.

CITY PRESENTS A BEAUTIFUL SIGHT

DECORATIONS ARE HANDSOMEST EVER SEEN—READY FOR TO-DAY'S PROGRAM.

This is the glorious Fourth, and business in Tonopah will cease for two days. The mines and mills have closed for that length of time, and the calendar of sports arranged for the people is one of the best ever put forth. The principal buildings in the town have been beautifully decorated and present a pleasing sight. Every yard of bunting and every yard of ribbon in the town was sold long before noon yesterday, citizens begging for odds and ends to decorate their residences. Street Supervisor Degan was out yesterday with a corps of men removing what little dirt that had accumulated on the streets, and was in turn followed by the sprinkling cart so as to have the streets over which the procession will pass free from dust and dirt.

The holiday opened at midnight last night, when the booming of cannon and the firing of bombs made the earth reverberate. One salvo would be fired at the top of Mount Brougher and would be immediately responded to by another from Mount Oddie.

The Fourth of July Committee has issued the following: The parade will form at 10 o'clock sharp. The first section will form on Brougher avenue, between the Nye County and State Bank Buildings, and will consist of Marshal J. J. Owens and his aids, Chief of Police Malley, followed by platoon of mounted police. Jim Butler, who is honorary president of the day, follows in a carriage. The Tonopah brass band, Grand Army of the Republic, Spanish War Veterans, chariot containing Goddess of Liberty, school children's float followed by children, fall in next. They will assemble between the Mizpa Hotel and Lothrop-Davis store.

The second section forms on the north side of St. Patrick's street and consists of the Independent Order of Odd Fellows and Knights of Pythias. The third section forms on Central street, south of Brougher. H. A. McKim's float, Miners' Union, Eagles' float, followed by members of the Order of Eagles.

The fourth section forms on Central street, north of Brougher avenue, and will be composed of Elks' float, followed by Elks' Lodge, E. W. Smith, the photographer's float, Grotto ice cream parlor float, Young Men's Servian Society, Summerfield & Johnson's float, fire apparatus, volunteer fireman, Prouty's Union Drug Store float.

All fraternal organizations and labor unions or other bodies who have not made application for a place in the parade will form on Brougher avenue, just west of the Post Office. The line of march will start from intersection of Brougher and Main to Cross avenue, to Florence avenue, thence to lower Main to Grand Hotel, then countermarch to upper Main street opposite Butler hall, where they disband. The aides are Robert Prouty, first section; Dr. Hammond, second section; James Clary, third section; George Thatcher, fourth section; Alex Dewar, fifth section.

LARGE CROWD AT THEATRE OPENING

NEW THEATRE STARTS OFF WITH LARGE AND APPRECIATIVE AUDIENCES.

A large crowd was present at the opening of the Nevada Theater, which occurred last night. The management of the place, Messrs. Morris and Tewwilliger, are up-to-date theatrical men. They propose to cater to the best element in Tonopah and will endeavor to furnish a high-class show. Mr. Dave Press, the musical director, is a musician of high order, well known to the people here, while Earl Russell, who is heard for the first time in this city, has a magnificent baritone voice. Mr. Grim, as an electrician, who thoroughly understands the operating of the films and manipulates them with an even movement, so that the full effect is brought to the eye of the beholder. The program last night was: Overture, "The Crusader," "Romeo and Juliet," "When You Know That You Are Not Forgotten," sung by Earl Russell; "In a Submarine," "Not Yet but Soon," "Up-to-Date Clothes Cleaning," "Curiosity Punished," "The Stars and Stripes and You," sung by Mr. Earl Russell.
The new show starts out under the most favorable auspices, and its future can be assured.

FISTIC BATTLE WILL BE HUMMER

MUSTAIN-SULLIVAN BOXING CONTEST IS BRINGING A BIG CROWD.

Everything is in readiness for the big smoker tonight under the auspices of the Tonopah Athletic Club. The promoters have perfected every small detail, and the patronage tonight will witness the contest in a well-ventilated, clean, newly renovated auditorium. Perfectly drilled ushers will see that every person is placed in the seat that the ticket calls for, and there will be no discomfort whatever that usually attends such performances.

A wire from Goldfield says a large contingent are coming from the southern city, a special train having been provided for and a late order called for additional coaches.

Even from far-away Rawhide autos have been chartered reaching Mina last evening, and will be in Tonopah this morning at 10 o'clock. Some of the big sports of the great camp are coming in with the idea of picking up a little easy money.

Telephone messages from Round Mountain and Manhattan requested the management to reserve 30 seats for the friends of Mustain in those sections, and there is no doubt whatever that when the principals enter the ring that the greatest crowd that has ever congregated under the Casino arena dome will be in evidence. From Millers will come at least 250 people, and as the crowd at the big mill are all lovers of the sport there will not be many of them that will forego this opportunity of having their sport-loving proclivities gratified.

The best of order will prevail and any one contemplating going can rest assured in advance that they are safe from unpleasant remarks as if they were in a drawing room at a reception. There have been reservations made by numerous gentlemen in the community who intend taking their families. The doors open at 7 o'clock and the preliminaries start at 8:30 prompt. There will be no delays between the various events, and the management guarantees that from the time the bell rings in the first preliminary to the finish there will be no intermission.

The Weeks-Daugherty preliminary will be a classy affair. Both men have trained faithfully and are in absolute good form, and both confident of winning.

The second preliminary of four rounds between Lawrence and Troutman promises to be a warm affair and will ginger up the audience and prepare them for the principal event. Jack (Twin) Sullivan will return this morning from Goldfield, where he has been in training for several days, giving the Goldfieldites an evidence of his skill, and if reports can be believed his work below was far superior to that handed out while here.

Mustain is as fit as a fiddle, and he and his manager, Charles Miller, were in consultation yesterday, preparing the mode of attack and plan of campaign to be pursued in tonight's battle. The perfection that Mustain has attained has surprised his many friends here, and they are most sanguine of his ability to land his man.

THE BUTLER HAS A FINE PROGRAM

POPULAR PLAYHOUSE HAS ONE OF THE BEST BILLS YET PRODUCED.

The Butler Theater, at its change of program last evening was one of the best yet produced. The opening song, entitled "Summer Time," was rendered by Miss Emmett in a very charming manner and pleased everyone. The first picture, entitled "The Idler," is a view of a lazy husband and how his wife entreats him to go to work. The illustrated song, entitled "All Is Fair in Love and War," is a military air of exceptional class and is rendered exceptionally well. "The Parent's Devotion" is a view of the devotion shown a child by its parents. It is exceptionally good and clear and would never fail to please any audience. "I'm Starving for One Sight of You" is admirably rendered by Miss Emmett and brought forth hearty applause. "The Black Princess" is a view of a beautiful girl abducted by a Turkish prince. Through the efforts of a faithful servant she finally manages to escape. This picture also shows a great deal of beautiful scenery. "Arrah Wanna" is an Indian song that proved a great hit. The illustrations are also exceptionally good. "The Cowboy and the School Marm" is a view of American cowboy life and is certainly very true to nature. It shows the arrival of the schoolmarm on the stage and the cowboy's admiration for her. A gambler who also thinks this young lady is exceptionally fine, and one of the cowboys become bitter enemies over her and many desperate encounters ensue before the cowboy finally wins her. The management has made arrangements to receive from New York direct the latest films on the market. This will greatly add to the popularity of the Butler, as all the new up-to-date pictures will be shown. Tomorrow and Sunday afternoon the usual matinee will be given at 3 p. m. Last, but not least, we must commend the management on the selection of Mr. Fife as musical director. His playing is of the very best and his execution and touch is of the finest. His selections, also, are of an exceptionally high class, and he is certainly a great addition to the already efficient force.

MOST INGENIOUS WINDOW DISPLAY

NYE COUNTY MERCANTILE COMPANY HAS HARDWARE DECORATION.

The Nye County Mercantile Company has a most ingenious display in its windows, and it behooves every citizen to take a peek at it for themselves. The Nye County is running an exclusively hardware establishment, and the design in the window is the work of employees of the company, under the direction of R. W. Henry. Several stacks of arms are arranged in a tasteful manner, while on the floor are the figures "1776-1908," made from door hinges. "July 4th" is spread in the center, and this is composed of locks. The most unique thing, however, are two cannons. The barrel is composed of a stovepipe, the axle a rolling pin, the spokes of the wheel axur bits, the rim of the wheel is a chain, and the breech a door lock, the whole composing an exact reproduction of a howitzer ready for business, which is another feature of the Nye County Mercantile Company.

The Tonopah Club will receive full returns by direct wire from the inside of the Gans-Nelson battle on the afternoon of July 4th.

A WIFE LOOSE.
She had accepted his offer to escort her home in the rain.
"I have been wondering," he remarked on the way, "whether it is so account of my umbrella or my company that I am allowed to come with you."
"It's neither," she replied, "it's on account of my new hat."—Home Chat.

FOURTH OF JULY BALL A SUCCESS

LARGE CROWD FILLS MINERS' EXCHANGE HALL TO OVERFLOWING.

The Miners' Exchange Hall was filled to overflowing last night. The occasion was the grand ball given under the auspices of the citizens of Tonopah and the initial number of the Fourth of July carnival. The dance was entered into with much zest by both old and young. The sprinkling of old was very few, as nearly every one in Tonopah is young when it comes to dancing. Fully 200 couples participated in the grand march, which was led by Mr. and Mrs. J. J. Owens. The evolutions and intricate movements that Jack led the vast throng through was most bewildering, but Captain Wisco, who was gatekeeper, and whose faculty for observation is very strong, stated that the various stunts spelled "Tonopah's Biggest Celebration, July 4, 1908."

Everybody and his best girl and some other fellow with some other fellow's best girl, were all there and danced to their hearts' content. At midnight the ladies in the vast assemblage repaired to the balcony, where they set up a grand hurrah, while the men repaired to a thirteenth emporium, where they set up, too, in honor of the nation's natal day.

Much credit is due to the very efficient committees of arrangements and the floor managers for the very pleasant and successful evening passed by those who participated in it. They were composed of the following: W. K. Wise, A. A. Dewar, George B. Thatcher, C. G. Smith, William Grimes and B. Merton.

NOTICE.
All Elks are requested to be at lodge room at 9 o'clock July 4th, to take part in parade.
